Madisonville Notes

BY AILEEN DAVIS.

Chautauqua Club.

On Thursday afternoon, Feb. 23, the members of the Chautauqua Literary Club held one of its most enjoyable meetings at the home of Mrs. Frank Brown, on South Hartig street.

Those present responded to the roll call with quotations from Ben Johnson. Mrs. S. D. Langley read a most excellent original paper on "Dickens the Traveler," after which "The Problem of Old Age," in England at the present time was pathetically given by Mrs. J. R. Rash in her able manner.

Mrs. J. W. Pritchett, Jr., read a very brilliant article on "Johnson's London," in which she beautifully described this quaint old city in all its grandeur, as well as all its want and poverty.

Mrs. Otto Fowler ably led the Round Table talk, which was a series of Current Events.

In keeping with the "Washington Birthday," luncheon was served in courses at the conclusion of the program. All the rooms were appropriately decorated in flags, and red, white and blue bunting, while vases, filled with red and white carnations, vied with each other amidst a greenery of ferns.

In the dining room the shades were closely drawn and white tapers, in golden candlesticks, hooded in red shades, shed a soft, mellow light over all.

From the chandelier to the corners of the table were festooned streamers of red, white and blue ribbon, while on a lace centerpiece, in the center of the table, was placed an immense mound of red carnations.

The luncheon was exquisitely served. The sandwiches were hatched, with a tiny flag stuck in the top, while the ices were logs split in two, with a little steel hatchet in the end. The individual cakes were iced with cherries, and the mints were in the shape of cherries.

Misses Earle's Dinner.

Misses Katie and Jennie Earle were hostesses at a beautiful dinner on Wednesday in compliment of their sister, Miss Luella, whose birthday anniversary is the same as that of the illustrious George. It has always been considered a privilege to be a guest in this attractive home and on this occasion it was even a rare one, for with the charming hospitality of the Misses Earle, the delicious viands and the congenial guests, one felt almost entranced with pleasure. The dining table was beautiful in all appointments, having a center piece of red carnations, lighted by candles with soft shades and rich in silver and cut glass. The place cards bore the famous hat and cherry and they, as well as the souvenir views of Washington City and Mount Vernon, were sent by the absent sister, Miss Augusta, who is spending the winter in the fair Capitol. Between the

various courses, there was a flow of wit and wisdom, suggested by topics that had been arranged by Miss Kittie and the guests vied with one another in their discussion. Covers were laid for the following: Mr. and Mrs. L. R. Woolfolk, Dr. J. D. Sory and Mrs. Sory, Mr. and Mrs. J. B. Ross, Mesdames Corinne Gold, Ada Ramsey John Jones, W. C. Morton and Misses Luella, Kittie and Jennie Earle.

BY GUEST PRESENT.

Business Session of A. E. Reese Chapter, U. D. C.

(Contributed.)

After a short business session the A. E. Reese Chapter, U. D. C., was most beautifully entertained by Mrs. W. E. Wooten and Mrs. Rufe Whittinghill at the residence of Mrs. Wooten. In both a patriotic and social way, this, the birthday anniversary of the Father of His Country, the product of the Old Dominion State, which later gave us the illustrious Lee, was fittingly observed. The historical readings, patriotic music, the blending of the National colors, with the emblems of the loved Southland, stirred the patriotic currents of the soul, and with enthusiasm, the inspiring and uplifting story of the unparalleled struggles of the heroes, of the heroic South, was retold, thus paying tribute to, and uniting in honoring of the two great commanders of the two great rebellions. Most appropriate and attractive were the decorations of this hospitable home, emphasizing, in unmistakable evidences, the loyalty and earnestness of the kindly hostess. A most delightful luncheon was served and as souvenirs the proverbial hatchet was tendered "Let Us Forget."

Mrs. Will Wells and son, James Hickman, of Hopkinsville, arrived here Friday to spend several days with her parents, Mr. and Mrs. Ben Davis.

Miss Blanche Bishop left Sunday for St. Louis to be the guest of Mr. and Mrs. W. W. Bishop, for several weeks.

How To Stop
A
Stubborn Cough

We don't mean just stop the irritation in your throat—but cure the underlying cause.

Cough syrups cannot do this. It takes a constitutional tonic body builder to do the work properly—and cure you to stay cured. Vinol is the remedy you need.

HERE IS PROOF

Mrs. Minnie Osgood, of Glens Falls, N. Y., writes: "After trying several remedies for a bad cough and cold without benefit, I was asked to try Vinol. It worked like magic. It cured my cold and cough and I gained in health and strength. I consider Vinol the most wonderful tonic and invigorator I ever saw."

If we cannot stop that cough with VINOL—our delicious cod liver and iron tonic—which is made without oil—we will not charge you a cent for the medicine you buy. This seems like a pretty fair proposition—and ought to be accepted. Don't you think so? With this understanding we ask you to try a bottle of VINOL.

MISS MARY McPARLAND

At the Residence of Her Brother Rev. J. P. McParland in This City Sunday Afternoon.

Miss Mary McParland nineteen years of age and the youngest daughter of John McParland passed away Sunday afternoon at six o'clock after a short illness. She had been a sufferer from Bright's disease but was not thought to be seriously ill and the end came unexpectedly. Her father, her brother Rev. J. P. McParland, sisters Florence and Agnes of this city and her sisters Miss Eva of Knoxville, Tenn., were with her when the end came; in addition to these she leaves another sister Mrs. John Buckley, of Waltham, Mass., who was unable to get here.

Funeral services consisting of high Requiem Mass were conducted at the Church of Immaculate Conception this morning at 8:30 by Rev. McParland assisted by Rev. Father Crauey of Morganfield, and the interment took place in St. Joseph cemetery at 9:30 in the presence of a large number of friends and acquaintances. Miss Mary McParland was a sweet lovable young lady and made a great many friends during her residence in this city who extend their heartfelt sympathy to her relatives in this hour of sadness and sorrow.

Mosley Charged With Shortage.

Henderson, Ky., Feb. 25.—Wynn G. Mosley, clerk of the circuit court here, faces criminal action if it is declared, unless he can produce \$5,168.85 due the estate of George B. Robinson, and which failed to account for when the case was tried in the circuit court here yesterday. Mosley could account for but \$2,600 of the estate. The proceedings were begun by the Ohio Valley Banking & Trust Company which succeeded Mosley as trustee of the Robinson estate. When he could not turn over the funds civil proceedings were begun. Criminal action will be taken within a few days, it is believed.

Why Fight The Elks.

We fail to see what is to be gained for any person or any cause through attacks on an organization like the Benevolent Protective Order of Elks, similar to those being made in one or two towns in the State. The writer is an Elk himself, and he has some knowledge of the work done for suffering humanity by this splendid fraternal order, and if every man in this country were an Elk in practice, there would be much sunshine where there now is shadow, and lighter hearts where dull care now prevails. Of course, we feel certain there is a number of high-rollers, hypocrites and rascals in their ranks, just as there are among the Masons, Knights of Pythias, Odd Fellows, Woodmen, Methodists, Baptists, Presbyterians, Catholics and so on ad infinitum, but an organization can't in common sense and justice be held responsible for the shortcomings of a few of its individual members. Here's wishing the Elks, in common with every other organization, fraternal or religious, that endeavors to extend the helping hand of the good Samaritan to the sufferer by the way side, long life and prosperity, and may heaven pity the man so narrow as to see nothing good anywhere save and except in the particular creed he embraces. "If we knew each other better, we would love each other more," and no order on earth, if it may be judged by naked results, is accomplishing more towards bringing about that much desired state of universal brotherhood, when "man to man the whole world o'er shall brothers be for a' that," than the boys of the B. P. O. E., their number and the age of their order considered.

Pecks Bad Boy

Which is to be presented at The Temple Theatre, is so well known after its many years before the public and is of such a slam-bang style that it is very easy for one to forget its importance as a play because of genuine merit. The play is the composite result of a series of sketches for juvenile readers which were written by the Hon. Geo. W. Peck, ex Governor of the State of Wisconsin, a number of years ago. The sketches were more widely read in their day than were the "Dodley Letters" in theirs, and were peculiarly interesting to adult readers as well as to the children, although they had been written primarily for the latter. Chas. F. Pidgin made the dramatization of the sketches which is to be presented at the local play-house soon.

AD-TALK

What would you think of a salesman who reported for duty one day, lay off for two, worked a half day, went off for a week and so on without any regularity? Surely you would not expect good service from such a man. And yet some merchants hold advertising, which is simply a "salesman," up to great results when it is allowed to "work" very irregularly. The fact that advertising costs money is proof of its value. Things without cost are usually worth only their price.

A HOME TREATMENT FOR LUNG TROUBLE

It is a recognized fact that fresh air, plenty of nourishing food and a correct constitutional treatment have done more to cure lung trouble and that weakened run down feeling, than all other forms of treatment combined.

A constitutional treatment, to meet all the necessary requirements, must not only kill and remove all the disease germs from the system, but at the same time it must increase the appetite, aid in digestion and assimilation of food, renovate and build up the nervous system and all parts of the body.

Germinal Remedy meets all these requirements and is producing some marvelous results.

If you have consumption in any form, blood disease, if you are troubled with ulcers or chronic sores, coughs, pains in the chest, if you have weak lungs and feel generally run down and weak, write the Ohio Medical Co., Box 95, Columbus, Ohio, and they will send you a full sized bottle of this medicine absolutely free, as a trial, if you will mention the name of this paper.

I'll Trust You

The Nightingale of Organs

MIDDLEMEN WIPED AWAY

I've busted the hot air bubble of the dealers, agents and middlemen of this country by selling direct to the homes at the same price they formerly paid me for my organs.

SEND ME YOUR NAME

whether you want to buy or not and I'll send you free of charge and postpaid the most wonderful organ book and buying plans you ever saw. All the organ men in this country claim they make the best organ but do not give you any proof. I do, and here is the proof. I own my own timber lands, saw mills, dry kilns and factory. I do not have to pay one penny of profit for lumber or milling. The profits that other manufacturers pay to lumber and saw mills, I put into my Adler Organs, (The Nightingales of Organs). That's the reason my organ is better than any other make. Another Proof! I guarantee my organs for 50 years, whereas others guarantee theirs for 10 to 12 years. Don't this mean something? My selling plans are the fairest, simplest, safest and easiest ever placed before the American public, in that I grant my customers all the time they want, arrange their payments as it suits their income and circumstances, give them reasonable extensions of time if they can't meet their payments and charge them no interest. Ask some of your neighbors who dealt with me about this. That's the best proof you can get. I would just as soon give you \$1,000 in gold if you can duplicate this proposition.

MY ORGAN (THE NIGHTINGALE OF ORGANS)

has a tone nearest to the human voice, a pure singing tone that lasts a life time and it won the highest prize at the St. Louis World's Fair, another proof my organs are the best. Everybody is buying an organ these days and everybody is buying an Adler on account of its high quality, wearing qualities, style and reputation. I am selling them for less than dealers and agents are selling cheaper grade organs and when you stop to think and realize that when you buy from one of these middlemen you must pay his profit, time, salesmen's salaries, store rents and other expenses, my offer means a whole lot and stands before you as the king of money savers. My world's greatest organ factory is working day and night, grinding out the organs ordered, and this condition was brought about by the fair and liberal treatment I handed out to my customers, now numbering over 75,000. Whenever I sell an Adler, it sells a dozen more and so on indefinitely. They've stood the test and always will. Quality always wins out.

75,000 ADLER OWNERS SAVED \$2,625,000

Before I sold direct to the homes at wholesale factory prices, as I am doing now exclusively, I used to sell to dealers who then sold them to you for twice and three times as much. I sent out much as they paid me, making the poor people bleed for it, I was thunderstruck and quit. I sent out thousands of notices telling them they couldn't buy another organ from me, that I meant to sell direct to the homes, saving them the enormous, unreasonable profits and expenses they were charging them. This came to them as a thunderbolt from a clear sky. In round numbers I've saved my customers (over 75,000 of them) at least \$2,625,000, all of which would have gone to the dealers had I sold the organs through them. You surely appreciate what this means.

Ex-Governor George W. Peck, of Wisconsin

Apparently made a lasting monument to his memory when he created the juvenile sketches which have resulted in "Peck's Bad Boy," the next big attraction for The Temple Theatre, Friday, March 3; Mr. Peck's administration in Wisconsin was a notable one, but it has passed into oblivion, comparatively speaking, during the years which the Bad Boy has been prospering. This season the old favorite comedy is under the personal management and direction of Mr. James Marroh, and the success with which it is meeting everywhere is the best tribute to Mr. Marroh's ability as a producer. The company is conceded to be the liveliest and best which has ever handled the play.

H. D. Cowand, manager and buyer for the firm, Barnes, Cowand & Co., Incorporated, left Saturday for Chicago, where he will meet the buyers from the other two Barnes' stores. They will visit several Eastern markets for their spring millinery and dry goods. Cowand says that the Earlinton store will be packed with new merchandise of all the new ideas for spring.
